The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
12-201.11(C)	Post the State certificate for your certified food manager	5/5/2008
2-301.14	Employees are not properly washing their hands after taking gloves off and before wearing gloves. At the grill station, employees must wash their hands before putting on the gloves. Immediately after placing the raw burgers on the grill (and before touching anything else), the employee must discard the used gloves and must wash their hands. Then they must put on a new pair of gloves before touching the spatulas or lining the trays. After taking these gloves off, they must immediately wash their hands again and put on new gloves before touching the raw patties. **contact MHD inspector at 286-5781 for additional approved methods**	5/5/2008
2-401.11	Observed employee beverages being placed above food preparation surfaces near the grills. All employee beverages must be stored away and/or below all food and food preparation surfaces. Remove the beverages immediately and store them in a designated location below or underneath all food and food preparation areas.	5/5/2008

3-304.12	Observed ice scoops being laid on top of the ice inside the ice machine and the register ice bin. No ice scoop was observed at the "drive-thru" ice bin. All ice scoops must be stored in the appropriate holding place in the ice machine or in the appropriate ice scoop holder at the ice bins. Ice scoops may also be stored in a clean tray or bucket. Instruct all employees to properly store the ice scoops between use.	5/19/2008
3-304.14	Observed several wet wiping cloths being stored on counters. Wet wiping cloths must be stored in sanitizer solution between use or be stored in a designated location for laundering. Instruct all employees to store wet wiping cloths in sanitizer solution between use.	5/19/2008
5-202.11	The ice bin waste drain at the ice bin at the "drive-thru" window broken. Have the waste drain pipe repaired by a licensed plumber. Ensure that an air gap is installed on the waste drain.	5/19/2008
5-402.11	The air gap at the ice machine waste drain is no longer present. Have a licensed plumber properly install an air gap at the ice machine waste drain.	5/5/2008
	There is no air gap present on the customer self serve soda machine ice drains in the customer area. These drains must be air gapped to prevent waste backflow into the bin storing the ice. Have a licensed plumber properly install an air gap at the two soda machine ice bin waste drains.	

### Notes:

Post hand wash signage in the restrooms instructing all employees to wash their hands before returning to work.
